A REVIEW OF THE WORK OF THE LEADING ARTISTS OF  
CANADA, AUSTRALIA, NEW ZEALAND, & SOUTH AFRICA

THIS Extra Number of *The Studio* forms a comprehensive survey of recent work by the most distinguished painters of Canada, Australia, New Zealand, and South Africa. From the large amount of material which has been brought together a splendid and representative series of upward of one hundred illustrations has been selected. Most of the pictures are reproduced as full-page illustrations, and a special feature of the book is a series of supplementary plates in facsimile colours. Each of the four sections contains an article, contributed by a well-known authority, dealing with the work of the leading artists in the respective countries. As the edition is limited orders should be placed at once.

Prices: In Wrappers, 5s. net; in handsome Cloth Binding, 7s. 6d. net (Postage extra: Inland, 6d.; Abroad, 1s. to 1s. 6d.). The work may be obtained through any Bookseller, or direct from the Offices of *The Studio*, 44 Leicester Square, London, W.C.2.
